Annual C.P.A. Retreat

The annual C.P.A. Missionary Pastor's Retreat was a great blessing to the entire C.P.A. family. We gathered here at mission headquarters, July 20-24th. We enjoyed the fellowship, seminars, delicious food and a number of other activities.

C.P.A. Family

During the week the ladies had a craft time each afternoon. One afternoon some of the men played golf and each evening, after the meeting, we did something special.

We had a game night, ice cream social and, on a beautiful evening, we enjoyed a camp fire with roasted marshmallows and smores. It was a great week of encouragement and blessings for everyone.

A special thanks goes out to everyone who gave a special gift for the retreat. Your generosity and thoughtfulness helped make it all possible. Thank you from everyone in C.P.A. Next year's retreat: July 19-23.

Bill & Winifred Chapman, New Missionaries

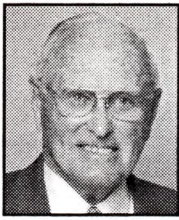

Bill & Winifred Chapman

We are delighted to introduce Bill and Winifred Chapman as the newest members of the C.P.A. family. They have served together in the pastorate for the past 41 years. They have much experience in helping struggling churches become vibrant again.

Rather than fall victim to retirement they desire to help a church that needs a missionary pastor. Pray that God will direct them to the right situation and use their abilities and experience for His glory. A special welcome to Bill and Winifred.

FROM THE DIRECTOR

**TOM
BUCKLEY**

This has been a great year for Carol and I. We have served as church planting missionaries for the last 50 years and we have had a great marriage. The best part is that we are not finished. By God's grace, we have good health and the call of God is as real as it was when He called us as college students. We are so thankful to all the people and churches that uphold us in prayer and provide our financial support. In reality, you are helping all of our missionaries as I serve as the director.

God used Proverbs 29:18, "Where there is no vision, the people perish." to call us into ministry. Pray that God will continue to use us for His glory. Pray that more men will have a burden for America and a vision for the local church. The answer for America is Jesus Christ and the vehicle God has given to us is the local church.

We are blessed for the great mission family He has given to us. We just accepted Bill and Winifred Chapman into the mission and have another couple in the application process. Pray that it will work out.

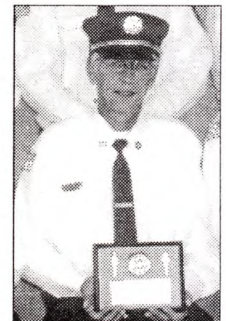

We thank the Lord for 50 years and move forward toward what God has in the coming years.

Buckleys Celebrate 50 Years of Marriage & Ministry

**Tom & Carol
 Buckley**

It was during the first few weeks of their freshman year in college that Tom and Carol met and began a relationship that has taken them through 54 years together. They were married in July, 1959 and became church planting missionaries. They have two children and four grandchildren.

For the first 20 years they opened 3 closed churches and helped a struggling church. In 1980 Tom became the General Director of the American Mission for Opening Churches. While serving in that position he started the Olcott Bible Church. In 1996 through a series of unique circumstances, Tom and Carol, along with several other missionary families, started Church Planters to America. Through these 50 years God has blessed and hundreds have been saved. But 50 is only a number and the Buckleys aren't finished yet. Keep them in prayer as they lead C.P.A. Pray for continued good health and for safety as they travel many miles in their ministry for C.P.A. To their friends and supporters we say, "Thank-you". Your partnership with them is a blessing to all of us in C.P.A.

And Jesus said unto them, I am the **bread of life:**

He that cometh to me shall never hunger; and he that

believeth on me shall never thirst.
